1. General information

Review of operations

The Company continued to engage in its principal activity, the results of which are disclosed in the attached financial statements.

Principal activities

The principal activity of Adelaide Primary Health Network Ltd during the financial year is to improve wellbeing and achieve measurable health outcomes in the region by:

- Increasing the efficiency and effectiveness of medical services for patients in its region, particularly those at risk of poor health outcomes.
- Improving co-ordination of care to ensure patients receive the right care in the right place at the right time.

No significant changes in the nature of the Company's activity occurred during the financial year.

Objectives and strategy

Adelaide PHN is dedicated to improving the health of people living in the Adelaide metropolitan region, with a focus on seven national priority areas. These are:

- Mental Health
- Aboriginal & Torres Strait Islander Health
- Population Health
- Health Workforce
- eHealth
- Aged Care
- Drug and Alcohol Treatment Services

The aim of the Adelaide PHN is to understand the health care needs of communities through broad engagement and consultation, collaborative analysis, planning and working in partnership. Adelaide PHN will implement innovative approaches to address identified gaps and avoid duplication and maximise efficiencies. Adelaide PHN is driven by a set of national and locally assessed needs. Adelaide PHN is working closely with the wider Adelaide community as well as public and private stakeholders, to identify, analyse and prioritise their primary health care needs.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ADELAIDE PRIMARY HEALTH NETWORK LIMITED

Opinion

We have audited the financial report, being a general purpose financial report, of the Adelaide Primary Health Network Ltd. ('the Entity'), which comprises the statement of financial position as at 30 June 2022, the statement of profit or loss and other comprehensive income, statement in changes in equity and statement of cash flows for the year then ended, a summary of significant accounting policies, other explanatory notes and the officers' declaration.

In our opinion, the accompanying financial report of the Adelaide Primary Health Network Ltd. is in accordance with *Division 60 of the Australian Charities and Not-for-profits Commission Act 2012*, including:

- (a) giving a true and fair view of the Entity's financial position as at 30 June 2022 and of its financial performance and cash flows for the year ended; and
- (b) complying with Australian Accounting Standards – Reduced Disclosure Requirements and *Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Entity in accordance with the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act) and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Entity's financial reporting responsibilities under the ACNC Act. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibility of the Responsible Entities for the Financial Report

The board members are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 2 to the financial report is appropriate to meet the requirements of the ACNC Act and the needs of the members. The Entity's responsibility also includes such internal control as the board determines is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the board members are responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the responsible entities either intend to liquidate the Entity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE
ADELAIDE PRIMARY HEALTH NETWORK LIMITED(CONT.)****Auditor's Responsibilities for the Audit of the Financial Report (cont.)**

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Entity.
- Conclude on the appropriateness of the Entity's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board members with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
